Little Mix, We Are Who We Are

Jade:
Mama, mama, mama made me the way I am
My face, my eyes, someone turn me up, I'm speaking my mind

Leigh:
And I, and I, I been wasting lot of time looking the mirrors
And hating on me, but now I like what I see

All:
I know, I know

Jesy:
I'll never be perfect

All:
I know, I know

Jesy:
But I'm gonna work it

All:
Let go, let go

Jesy:
Put your new shoes on, the new you on

All:
We are who we are, who we are
Pretty's just a pretty word
And I'm gonna shine like a star
'Cause I'm the only me in this world
Throw away the books and the magazines
I'm never gonna look like a beauty queen
We are who we are, who we are
And I'm just doing me, just doing me
And I'm just doing me, just doing me

Jesy:
Mama, mama, mama made me the way I am
She told me I should look upon the world with my head held high

Perrie:
And I, and I, I been wasting a lot of time looking the mirrors
And hating on me, but now I like what I see

All:
I know, I know

Leigh-Anne:
I'll never be perfect

All:
I know, I know

Jade:
But I'm gonna work it

All:
Let go, let go

Jade:
Put your new shoes on, the new you on

All:

And I'm just doing me, just doing me
