

Little River Band, Cool Change

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright clear water
Lots of those friendly people
And they're showing me ways to go
And I never want to lose their inspiration
Time for a cool change
I know that it's time for a cool change
And now that my life is so prearranged
I know that it's time for a cool change

Well, I was born in the sign of water
And it's there that I feel my best
The albatross and the whales they are my brothers
It's kind of a special feeling
When you're out on the sea alone
Staring at the full moon, like a lover

Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change

I've never been romantic
And sometimes I don't care
I know it may sound selfish
But let me breathe the air, yeah
Let me breathe the air

[Instrumental Interlude]

If there's one thing in my life that's missing
It's the time that I spend alone
Sailing on the cool and bright clear water
It's kind of a special feeling
When you're out on the sea alone
Staring at the full moon, like a lover

Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's hard for a cool
Cool, cool change

It's time, it's time, it's time
It's time, it's time, it's time
For a cool, cool change
Ooooooh, I know it's time for a cool
Cool, cool change
Now that my life is so prearranged
Well, I know, I know, I know, I know
That it's time for a cool change
Yes it is, yes it is, yes it is, yes it is
It's Time for a cool change
