

Little River Band, Home On Monday

Can you guess where I'm calling from?

The Las Vegas Hilton

I know it's hard to hear

It's just the echo on the line

Yes, that's right I'm calling from

The Las Vegas Hilton

I just wanna say that I'm feeling fine

(Chorus)

I'll be home on a Monday

Somewhere around noon

Please don't be angry

I'll be back with you real soon

(Verse 2)

I was hoping to catch a glimpse

Of the man from Memphis

They told me that he had gone

Never leaving a trace

I just could never get involved

With those one armed bandits

Sure am craving for the smile on your face

(Chorus)

I'll be home on a Monday

Somewhere around noon

Please don't be angry

I'll be back with you real soon

(Bridge)

You looked so lovely

When I left I nearly didn't go

Twelve thousand miles is

Such a long way

Help me get to grips with

Hollywood - you're getting through to me

Hollywood - you're in my movie

(Guitar Instrumental)

(Chorus)

I'll be home on a Monday

Somewhere around noon

Please don't be angry

I'll be back with you real soon, oh

I'll be home on a Monday

Somewhere around noon

Please don't be angry

I'll be back with you real soon

(Verse 3)

Can you guess where I'm calling from?

Yes that's right I'm calling from

The Las Vegas Hilton
