

Little River Band, Take Me Home

Give me the hand of the one I love,
take me away to the sunshine land,
I've had enough of this crazy life,
working so hard like a mad man.

Keep on writin' me, mama,
keep on sendin' me news,
keep on wiring me money,
'till the blues take me home.

Cold, rainy weather always gettin' me down,
strange talkin' people showing me the way,
not what I'm used to, I've gotta turn around,
hey listen mister, I got something to say.

Yeah, keep on writin' me, mama,
keep on sendin' me news,
keep on wiring me money,
'till the blues take me home.

Yeah, yeah, keep on writin' me, mama,
keep on sendin' me news,
keep on wiring me money,
oh, 'till the blues take me home.

Take me home, yeah
take me home, oow yeah yeah
take me home, yeah
take me home, darlin' darlin'
take me home yeah
take me home
take me home yeah
take me home
