Little Simz, Woman (ft. Cleo Sol)

Naija woman Got the melanin dripping London City girl living In the back looking like fire chilli pepper

Yoruba girl toughrt than imperial leather He was getting bitter While she was getting better Diamonds are forever Miss Sierra Leone lookinf like a gem Works hard in the week Party on the weekend

(Beautiful beloved sisters
Stand together with your sisters
Don't lose heart
Keep believing
That everything within us is lit ip fiercely
Stand together with your sisters
Don't lose heart
Change the world
Beautiful beloved sisters
Light up
It's our time)
