

Little Walter, Mellow Down Easy

You jump, jump, here
You jump, jump, there
You jump, jump, jump,
everywhere
Then you mellow down easy
Mellow down easy
You mellow down easy when you really wanna blow your top

You shake, shake, here
You shake, shake, there
You shake, shake, shake,
everywhere
Then you mellow down easy
Mellow down easy
You mellow down easy when you really wanna blow your top

You wiggle, wiggle, here
You wiggle, wiggle, there
You wiggle, wiggle, wiggle,
everywhere
Then you mellow down easy
Mellow down easy
You mellow down easy when you really wanna blow your top
