## Live, Beautiful Invisible

My dear, sweet woman You're making me cry And I don't know why I need you tonight

Like a hole in the universe Like a walk in the rain Like a rose that longs to die I need you tonight

'Cause you're so beautiful, invisible Beautiful, invisible, yeah

My dear, sweet woman You're making me cry And I don't know why It must be the ocean side of me

You're dangerous and you know You can kill me with a look Make me with the glance from your eye But I need you tonight

'Cause you're so beautiful, invisible Beautiful, invisible Beautiful, baby, invisible Beautiful, invisible

Don't drop the reigns Everytime it rains Goddess, tramp or saint You have to wait Yes, I will wait

You're so beautiful, invisible Beautiful, invisible Beautiful, baby, invisible Beautiful, invisible, yeah
