

# Live, Top

this is not helping me at all  
what you are doing here  
in the name of god and love  
it's the distribution of fear  
pyramids, healing wires, analysts with fame  
I haven't got your degree  
and I forgot your name

pick me up and put me on the ground  
set me up and spin me all around  
no, you are not the one I wish to see

this is not helping me at all where did we get this plan?  
that you could give to me what I might already have pyramids,  
healing wires, a musician's fame  
I volunteered you my eyes  
in place of facing me

oh Hitler, in a robe of truth  
my emptiness has built your altar  
and I've worshipped myself in you forever  
until now!
