

LIZ PHAIR, Perfect World

What a pretty life you have
Oh boy, it's a pretty life you have
And I would need a map
Just so I could navigate the back yard
Home is very ordinary
I know I was born to lead a double life
A murderous strife and misery
And when I find it, I know I'll make sense of me
I want to be cool, tall, vulnerable and luscious
I would have it all if I'd only had this much
No need for Lucifer to fall if he'd learn to keep his mouth shut
I would be be involved
Be involved
Be involved
Be involved
I would be involved with you
I know the girls
That live inside your world
Just sitting next to a mortal makes their skin crawl
I want to be cool, tall, vulnerable and luscious
I would have it all if I'd only had this much
No need for Lucifer to fall if he'd learn to keep his mouth shut
I would be involved with you
I want to be cool, tall, vulnerable and luscious
I would have it all if I'd only had this much
No need for Lucifer to fall if he'd learn to keep his mouth shut
Be involved
Be involved
Be involved
Be involved
I would be involved with you
Oh, with you
