(Hey man, don't you realize  
In order for us to make this thing work, man  
We've got to get rid of the pimps, and the pushers, and the prostitutes?)

(Farmers Boulevard)

[ L.L. Cool J ]  
Back in the days, before I was Cool J  
I used to hang up on the corner, pumpin Games People Play  
Sittin on a garbage can, rhymin to my man  
Talkin bout big money and future plans  
I always told the brothers, if I got a contract  
When the money started flowin, I'd be back  
To do a jam, against all odds  
Introducing rapper 1 from Farmers Boulevard

[ Bomb ]  
Hey yo, B-o-m-b, bomb explosion  
Attack like a cat when I'm trapped and I'm closed in  
Sharp-ass claws, and I break all laws  
In a while all jaws, cause I'm perfect, no flaws  
Now I'm back to Farmers on some new improved  
(Sh...) I'm makin moves, not fakin moves  
So don't you never come around here, talkin that talk  
Or walkin that walk, you'll get played like a sport  
Football, soccer, whatever you savour  
You're a tramp and a pussycat, ready for labor  
Ha! L'll have you breakin locks  
I'll have you cookin fried rice in a big steel box  
The type of skills that I got reigned for years  
No worry or cares, your crew'll shed tears  
'Hip-hip-hooray, he's back!' Yo, save the cheers  
Suckers, I'm drinkin forties of beers  
On the Boulevard

[ Cool J ] □ Funky, funky, funky rhymes bein said here  
[ Marley Marl ] □ Hey yo, hey yo  
□ Hey yo Uncle L, let's go...  
[ Cool J ] □ Yeah man, I wanna check out my man Big Money Grip  
□ Yo, what's up, man

☐☐Kick a little somethin

[ Big Money Grip ]

Kick out the can and slam  
Summertime, C.I.A. step into the jam  
Reach for the mic, and the punks start to fold up  
And the brothers start fleein like it's a hold-up  
Some step aside, but a few play me close  
Never worry, cause the brother who cross me's gettin burried  
And the fool who wants to deal with another dose  
I see to it in a hour that the mutha is comatose  
Farmers Boulevard, the place  
Handin me a mic is like givin a chainsaw to Leatherface  
Smokin MC's in an instant  
At my side bustin caps is T-Boogie, my assistant  
Throw that speaker in the trash  
Why's that? Cause Gangster Boogie gave the woofer a gash  
Big Money Grip makin you get up  
Farmers Crew's in effect, we never heard of a head-up

[ Marley Marl ]☐Yo, yo, yo

☐☐It's kinda funky out here on the boulevard, yo  
[ Cool J ]☐Yeah, we livin chinese people in a turkish bath, baby  
[ Marley Marl ]☐Hi C over there, man  
[ Cool J ]☐Yo, what's up Hi C...

[ Hi C ]

Hi C on the scene, at last to bust a funky rhyme  
More than a line on time, because I'm gettin mine  
Never underestimate the skill of a great one  
The Boulevard Lord, shorts, never take none  
Another funky rapper from around the way  
Leavin bodies at a party, cause somebody gotta pay  
Boy, you been told, put your lips on hold  
All you remember is a barrel and a mouth full of gold  
Spreadin terror on the street like they was in the past  
Any punks on the block, yo, never could last  
And I never feel sorry for a sucker I gained on  
Any slick talker, yo, he's bound to get rained on  
At any Farmers party at my side is a Mag  
(One time a sucker got ill and went out in a bodybag)  
Fear will erupt through the heart of another  
The Farmers Crew will never fall, that's word to the mother

[ Marley Marl ]☐Yo, yo

☐☐It's kinda funky out here  
☐☐Yo, yo, yo, Hi C  
☐☐Yo man, y'all kinda funky out here, yo

☐☐Won't you - won't you sum it all up for the people, aight?  
[ Cool J ]☐Aight, let me sum this up

[ L.L. Cool J ]

Now you heard the brothers speakin bout the street that we're from  
Rhymes hittin, beats kickin, you can't get none  
F-a-r-m-e-r-s passin the test  
Marley Marl in the background doin the rest  
Do-re-mi-fa-so-la-ti-do, do-ti-la-so-fa-mi-re-do, kato

Get up out my face before I play you like Play-Doh  
I did a jam against all odds  
And it was dedicated to Farmers Boulevard

(Farmers Boulevard)

Keep on

(Farmers Boulevard)

To the beat, y'all  
A funky beat, y'all  
Yes, yes, y'all  
You don't stop
