

Lobo, Forever & Ever

(Singhi May Breen / Franz Winkler)

Ever and ever forever
And ever you'll be the one
That shines on me
Like the morning sun

Ever and ever forever
And ever you'll be my spring
My rainbows end
And the song I sing

Take me from my own imagination
You're my dream come true
My consolation

Ever and ever forever
And ever you'll be my dream
My symphony
And my lover's theme

Ever and ever forever
And ever my destiny
Will follow you eternally
