

# Local H, Grrrlfriend

I'm in love with a riot grrrl  
I'm in love with a riot grrrl

I'm a boy and I know that that's bad  
But I don't see what's got her so mad  
Now I'm not dumb -

I've got my eyes tied on  
I've seen her 'zine and I think it's right on  
Now I don't care if she makes me be quiet

I'm in love and I think it's a riot
