I've been on the low
I been taking my time
I feel like I'm out of my mind
I feel like my life ain't mine
who can relate?
I've been on the low
I been taking my time
I feel like I'm out of my mind
I feel like my life ain't mine
who can relate?

I don't wanna be alive
I don't wanna be alive
I just wanna die today
I just wanna die
I don't wanna be alive
I don't wanna be alive
I just wanna die and let me tell you why

I never had a place call my own
I never had a home
ain;t nobody calling my phone
where you been?
where you at?
what's on your mind?
they say ever life precious but nobody care about mine

I've been on the low
I been taking my time
I feel like I'm out of my mind
I feel like my life ain't mine
who can relate?
I've been on the low
I been taking my time
I feel like I'm out of my mind
I feel like my life ain't mine
who can relate?

I don't wanna be alive
I don't wanna be alive
I just wanna die today
I just wanna die
I don't wanna be alive
I don't wanna be alive
I just wanna die and let me tell you why
