

# Lolly, Happy

i want to tell you how i'm feeling  
when you're here i swear i hear my heart beat  
there's not a day that goes by that you're not on my mind  
and when i sleep all i do is dream of you

(chorus)

all i wanna do is take good care of you  
i wanna do my best to make you happy  
i'll catch you if you fall, be at your beck and call  
i'm gonna do my best to make you happy, happy  
happy - so happy - i'll make you so happy  
you cast a spell on me, it's magic  
and i'm in your power now guess that's it  
there's not a day that goes by that you're not on my mind  
and when i sleep all i do is dream of you

(repeat chorus)

happy - so happy - i'll make you so happy (repeat x2)

(repeat chorus to fade)
