## Long Beach Dub Allstars, Luke

Luke

Luke was a poor boy Work Very hard He had to work very hard He never had no money Drew that card Some say he drew that card Then when day he woke up

In the morning and said to himself Up off the ground Cause I keep falling down

Is this the only way to pick myself Luke was a struggler
Struggling all of the time
You know he never had no rhymes
All of the time
He never had no reason
Never no rhymes
In the morning and looked @ the sky
Then one day when he woke up
Is this the only way to pick myself
Cause I keep falling down
Up off the ground

That's when he realized

That everyone needs a piece of the pie That's when Luke realized Then when day he woke up That everyone needs a piece of the pie In the morning and said to himself Is this the only way to pick myself Up off the ground Cause I keep falling down

Luke had anger, yes
Deep down inside
Deep down inside
Some say he walked that line
Walked that line
Then when day he woke up
In the morning and looked at the sky
Is this the only way to pick myself
Up off the ground

Cause I keep falling down
In the morning and said to himself
Then one day he woke up
Cause I keep falling downIs this the only way to pick myself
Up off the ground
