

# Lord Finesse, That's How Smooth I Am

[Intro/Chorus: x4]

[LL Cool J] "Chilllllllll"

[Rakim] "cause I'm so smooth"

[Finesse] "I make the girls strip naked and just give it here"

[Lord Finesse]

I'm a player for the 90's, I can show and prove it  
When it comes to girls, I'm on some crazy old smooth shit  
I step in a party, kick it to the best hoes  
Then slide off and people say, "Where'd that Finesse go?"  
See -- I like the girls with the fresh mouth  
Cause they're straight from the party and off to Finesse house  
I got this far, so I know I'm gonna hit it soon  
When you come to my house, leave your panties in the living room  
Go with the flow, it don't help to fight  
You wanna front? You'll be by yourself tonight  
Cause I'ma get mine, then it's time to get showered dear  
Throw on your clothes, fix your weave -- you're outta here!  
I tell the truth, there's no reason why I should bluff  
I get the ladies, and all that other good stuff  
Girls I game any, sex I get plenty  
I assume it's all free cause I never spent a penny  
I get the ladies and plus I keep papas  
When it comes to trickin money off females, I'm a cheapskate  
So all you girls who are fans..  
.. I'm the fun type man, I'll settle for a one-night stand  
Don't be alarmed, your best bet is to stay calm  
I'm smoother than that shit that you purchase from Avon  
Girls don't play me, they strictly obey me  
Ask who the smoothest, bet you they'll say me  
I'll take one to a dozen, sister niece or cousin  
Yeah, Finesse you the man -- you thought I wasn't??

[Chorus 1/2]

[Lord Finesse]

When I roll I slide right, hoes and freaks I sideswipe  
To make it short, keep your girl out my eyesight  
I'm far from sly, slow, or petrol  
I'm snatchin up girls like a klepto'  
So when girls leave they guys I like to watch the men flip  
If you lost your girl, she wasn't yours to begin with!  
Brothers got game, but Finesse is twice as nice  
They need cars, all I need is a mic device  
Girls I juice, love and seduce  
Knock the boots, then cut em all loose  
I make em all say, "Owwwww!" Lie them in a pile  
and date em all like they goin out of style  
It's the L-O-R-D, F-I-N-E-double-S-E  
It's not my fault, that a lot of girls sweat me  
Cause even in high school, I was just too smooth you see  
had girls cuttin class and droppin out of school for me  
I'm true and so sincere, I'll take you and your friend there  
For the 90's and beyond, Finesse is in there  
If your moms is in our business, put the lady down!  
Cause it's enough Finesse to go around  
I don't lie, front or perp the role  
Is your child over 18? Then put her on birth control  
She'll be in trouble once I get started  
I'm layin girls out like carpet  
Smooth since day one, so all the girls stay strung  
I'm the kid, your parents told your ass to stay away from  
Have no fear, it's the player of the year

I make the girls strip naked and just give it here

[Chorus]

[Lord Finesse]

It's Lord Finesse, the mack, the jiggalo  
Still and all, I'm a smooth ass nigga doe  
Come sign up, for the Lord Finesse program  
Champagne, dim lights, jacuzzi and some slow jams  
Stuff like this, I figured is a fun thing  
So that don't mean that I'm only after one thing  
Even doe, I work extremely fast  
I just like havin fun, without spendin cash  
I use skills and strategy, none is as bad as me  
I get the ladies - so niggaz stay mad at me  
Straight up business, do girls with the quickness  
And leave em smilin like a kid on Christmas  
Invite me over, let's try out your bedset  
Forget hickies, I leave girls with a red neck  
Girls break they neck to run and get ahold of me  
So brothers with money ain't got nuthin over me  
Girls come to my house in a trench and see-through  
They love Heavy D, but shit, they love me too  
So forget the nerds and illiterate jocks  
I'm smokin girls like they come in a cigarette box  
I make em wait on a list like I was welfare  
Ask them am I worth it? Bet you they say, "Hell yeah!"  
Pimpin is like basketball, I get much run  
go for the shot, score and PLUS one  
Brothers be sweatin me, so I'm at the foul line  
Cause the females that were theirs, you could say are now mine  
I gain females and mess they minds up  
That's why I'm number one, on the startin lineup  
Kinda funky, plus it makes sense  
Brothers don't like me, but they all play the bench  
and watch Finesse as I run down the set-up  
Step to a female, and gas her whole head up!

[Chorus]
