

LORDE, Dominoes

I heard that you were doing yoga
With Uma Thurman's mother
Just outside of Woodstock
Now you're watering all the flowers
You planted with your new girlfriend
Outside on the rooftop

Just another phase you're rushing on through
Go all New Age
Outrunning your blues
Fifty gleaming chances in a row
I watch you fli them down like dominos
Must feel good being Mr. Start Again

I know , know a girl who knoes
Another girl who knows the woman that you hurt
It's strange to see you smoking marijuana
You used oto do the most cocaine
Ot anyone i'd ever met

Just another phase you're rushing on through
Go all New Age
Outrunning your blues
Fifty gleaming chances in a row
I watch you fli them down like dominos
Must feel good being Mr. Start Again
Must feel good being Mr. Start Again
Must feel good being Mr. Start Again
Must feel good being Mr. Start Again
