

LORDE, Green Light

I do my make up in somebody elses car
We order different drinks at the same bars
I know about what you did
And I wanna scream the truth
She thinks you love the beach
You're such a damn liar

Those great whites, they have bog teeth
They bite you
Thought you said that you'd always be in love
But you're bit in love no ore
Did it frighten you, how we kissed when we danced on the night up floor?
On the night up floor

But I hear sounds in my mind
Brand new sounds in my mind
But, honey, I'll be seeing you ever, I go
But, honey, I'll be seeing you down every road
(I'm waiting for it
That green light, I want it)

Coz honey, I'll come get my things
But I can't let go
(I'm waiting for it
That green light, I want it)
I wish I could get my things and just let go
(I'm waiting for it
That green light, I want it)

Sometimes I wake up in different bedroom
I whisper things
The city sings them back to you

All those rumors
They big teeth
Rhey bite you
Thought you said that you'd always be in love
But you're bit in love no ore
Did it frighten you, how we kissed when we danced on the night up floor?
On the night up floor

But I hear sounds in my mind
Brand new sounds in my mind
But, honey, I'll be seeing you ever, I go
But, honey, I'll be seeing you down every road
(I'm waiting for it
That green light, I want it)

Coz honey, I'll come get my things
But I can't let go
(I'm waiting for it
That green light, I want it)
I wish I could get my things and just let go
(I'm waiting for it
That green light, I want it)
