

LORDE, Oceanic Feeling

It's a blue day
We could jump Bulli
When I hit that water
When it holds me
I think about my father
Doing the same thing
When he was a boy

It's a blue day
We could go fishing
You will catch the big one
Sliding the knife under the skin
Greatful for this offering
And all the living things
Under the Sun

Little brother
I think you're an angel
See your silver chain levitate
When you're kick-flipping
Baby boy, you're super cool
I know you're scared
So was I
But will be revealed in time
