

LØREN, EMPTY TRASH

All the shit you put me through
(wersy po koreańsku)

I've been doing okay yeah
This is my vacation
(wersy po koreańsku)

All the shit you put me through
(wersy po koreańsku)

Take me to where I'll find you
(wersy po koreańsku)
If you go I'll follow you

Well I don't wanna go on you said
(wersy po koreańsku)

Everything echoes through my brain
(wersy po koreańsku)
Make it rain
How am I s'pose to do this shit again

All the shit you put me through
(wersy po koreańsku)

Take me to where I'll find you
(wersy po koreańsku)
If you go I'll follow you

After all that we've been through

Nothing left but open wounds
(wersy po koreańsku)
Fuck what I said and fuck you
