Lost + Found, So Into You

With every passing moment
Thoughts of you run through my head
Everytime that I'm near you
I realize that your heaven sent

I think your truly something special Just what my dreams are really made of Let's stay together you and me boy There's no one like you around Oh Baby

I really like what you've done to me I can't really explain it, I'm so into you (2x)

It could be the way that you hold me It could be the things that you say Oh I'm not to sure what is is boy But I know I like feeling this way

I think your truly somethin special Just what my dreams are really made of Let's stay together you and me boy There's no one like you around Oh Baby

I really like what you've done to me I can't really explain it, I'm so into you (2x)

Oh I really like What I feel when I'm with you Your a dream come true Don't you ever leave my side Cuz it feels so right

I really like what you've done to me I can't really explain it, I'm so into you (til' it'z done)
