

# Lostprophets, Always All Ways

I guess I'm trying to say I'm sorry  
but it always comes out wrong  
I think a part of you still loves me  
even though we're moving on  
always, all ways I wanted us to be  
always, all ways you and me

and I'll wait here on my own  
and I'll wait for you to see  
all the time I've spent alone now won't comfort me

always all ways

and I'm sorry for what happened  
but I want you now to see  
that I'm changing all my actions  
I don't wanna set you free  
always all ways, I wanna see it through  
always all ways, me and you

and I'll wait here on my own  
and I'll wait for you to see  
all the time I've spent alone now won't comfort me

cause I'm waiting for you  
yeah I'm waiting for you  
give me answers, get me through  
I will wait

always all ways, I wanted us to be  
always all ways, you and me

and I'll wait here on my own  
and I'll wait for you to see  
all the time I've spent alone now won't comfort me

cause I'm waiting for you  
and I'll wait here for you  
give me answers, get me through  
I will wait  
cause I'm waiting for you  
yeah I'm waiting for you  
give me answers, get me through  
I will wait

always all ways
