

# Louis Armstrong, Give Me Your Kisses (I'll Give Y

Give me your kisses, I'll give you my heart  
Give me your promise that we'll never part  
I'll give you love and devotion  
High as the sky above, deeper than the deepest ocean

Give me the right to call you all mine  
And I'll be true till the ending of time  
Give me your kisses, I'm willing to start  
And I'll give you my heart

Give me the right to call you all mine  
And I'll be true till the ending of time  
Give me your kisses, I'm willing to start  
And I'll give you my heart
