

LP, How Low Can You Go

last time i saw you
we did coke in the closet
at the Chateau Marmont
We were happy and on it

There too many people
There was fun
There was evil
And we both took the ride

it was colder than fuck
for a night in L.A.
and i couldn't stop thinking
if i was ok

you were making me laugh
shit was making me sway
and i thought i could fly

How Low Can You Go
Cause i wanna know
How Low Can You Go
How Low Can You Go
Cause i wanna know
How Low Can You Go

I heard that you stopped
Have some kids and a guy
I was happy and sad
But i didn't know why
I still think of you now
While i am touching the sky
It's been a long, long time
And so much happens in between
The days catch fire like gasoline
Just tell me what's the worst you've seen
I wanna know

How Low Can You Go
Cause i wanna know
How Low Can You Go
How Low Can You Go
Cause i wanna know
How Low Can You Go
