

LP, No Witness

How do I get you outta my head
How do I get you back in my bed

Tell me your crazy
Tell me you're scared
Tell me you still love what you had, no

When there's no more sins to care about
And the hard rain hard times pour on down
When it's all been said and done
No one can save me

Bear me no witness /2x
Tell me now
How many highs can get me so down
Cuz it don't matter how many times I go round
Help me Lord,
Bear me no witness

No one can save me
Love me or hate me
I'll keep on waiting
Nothing I won't do

Tame you my love like a street cut drug
Never know what you're really made of, no
