

LP, Recovery

my room is dark, the blinds are shut light
and everything is still too much outside
it may be over, but not tonight
it may be over, but I still cry
I can't stop sleeping in your clothes
you can't stop calling on the phone

can't you see, I'm in recovery
just let it be I'm in recovery
I know you wanna say you're sorry
but I already heard the story
and I don't wanna be a fool anymore
can't you see, I'm in recovery

holding on I know I am almost there
so don't reach out and tell me that you care
I'm finally sober, I see the light
the worst is over, nobody died
I'm still trying to let you go
baby please, let me alone

can't you see, I'm in recovery
just let it be I'm in recovery
I know you wanna say you're sorry
but I already heard the story
and I don't wanna be a fool anymore
can't you see, I'm in recovery

I always thought you'd be the one
who always needed me, my home
you'd be my memory
and time is like an enemy
so cold

can't you see, I'm in recovery
just let it be I'm in recovery
I know you wanna say you're sorry
but I already heard the story
and I don't wanna be a fool anymore
can't you see, I'm in recovery
