

LSD (Sia, Labrinth & Diplo), Audio

we got a ride
we got the night
I got the bottle
you got the light
we got the stars
we got audio

we're gonna fly
we're getting high
you got the moon dust
I got te sky
we got the stars
we got the radio

make the bomb
bomb beat I'll give you melody
make the bomb
bomb beat I'll give you melody
make the song
so sweet you gone come home with me
make the bomb
bomb beat I'll give you melody
make the bomb
bomb beat I'll give you melody
make the song
so sweet you gone come home with me

play that AUDIO!
play that AUDIO!

we got the heart
we got the soul
just when the worlds saying they got no hope
here comes the love
we got audio

I'm flying high superhero!
'S' on my chest with my Marilyn Monroe
feel like the star
cuz we got audio

make the bomb
bomb beat I'll give you melody
make the bomb
bomb beat I'll give you melody
make the song
so sweet you gone come home with me
make the bomb
bomb beat I'll give you melody
make the bomb
bomb beat I'll give you melody
make the song
so sweet you gone come home with me

play that AUDIO!

we can't lie on
without the rhythm
we can't lie on
without the rhythm
we can't lie on
without the rhythm
we can't lie on

without the rhythm
we can't lie on
without the rhythm
we can't lie on
without the rhythm
we can't lie on
without the rhythm
