

Luca Turilli's Rhapsody, Of Michael the Archangel

CHAPTER I - IN PROFUNDIS

"To protect all that is dear to you
you can lock every door...
close every road...
suspect every stranger...
But no matter how safe you think you are
there is one deadly threat
you cannot keep out,
and that is... you own fear"

CHAPTER II - FUTUM MORTALIS

Centuries, millenniums for a story without end
Heaven bleeding once betrayed by angels without faith
Chaos and order generating birth and death of souls
The matrix of the universe, a quantum and its source

L'umano torto col sangue lavo'
Nel lor peccato si soense e spiro'
D'imperio ruvido il cielo crepo'
Al suo vagito la terra tremo'

I am the child who cries
I am the grace that lies
I am the eye that stares
I am the mouth that hurts
I am the cross that bleeds
I am the hand that heals
I am the thunder's rage
I am your inner quake

Holy inner revelation
And old prophecy unfolds
A sad rhyme of mystic fading hope
A script of death and sorrow
The requiem for my world

The most epic battle
That men ever fold
The last revelation
The code of the codes
Through symbols and secrets
The centuries spoke
Of Michael the archangel
And Lucifer's fall

Beatus qui legit
Qui audit verba prophetiae
Et servat ea
Quae in ea scripta sunt
Beatus qui legit
Prophetiae verba sacra

O quot undis lacrimarum
Sacramentum et arcanum

DRAGO PUGNABAT
AGELI EIUS
MAGNUM IN CAELO
FACTUM EST PRAELIUM
NON VALUERUNT
FACTA EST SALUS

VERITAS CHRISTI
DEL NOSTRI REGNUM
SANCTUS
EGO SUM ALPHA ET OMEGA
IN NOMINE DEI

In the stellar fire, in the nucleus of a cell
That fragment of eternity that feeds an alien brain
In an abbey lost on Earth the gate to astral reigns
The energy of supernovas tracing souls' new ways

Divina Madre io rinascerò
In quella grazia che mai tradirò
Parte la sfida tra un ego ed un se'
La sfida al cosmo di un uomo, di un re

I am the child who cries
I am the grace that lies
I am the eye that stares
I am the mouth that hurts
I am the cross that bleeds
I am the hand that heals
I am the thunder's rage
I am your inner quake

(You are your choice)

Holy inner revelation
And old prophecy unfolds
Carved in me the power of your word
The vision and the illusion
The force of hate and love

The most epic battle
That men ever fold
The last revelation
The code of the codes
Through symbols and secrets
The centuries spoke
Of Michael the archangel
And Lucifer's fall

Beatus qui legit
Qui audit verba prophetiae
Et servat ea
Quae in ea scripta sunt
Beatus qui legit
Prophetiae verba sacra

"Ego sum principium et finis
dicit pater Dominus Deus
qui est, et qui erat,
et qui venturus est Omnipotens.

Eja mater fons amoris,
Me sentire vim doloris
Fac ut tecum lugeam.
Fac ut ardeat cor meum
In amando Christum Deum,
Ut sibi complaceam"

O quot undis lacrimarum
Sacramentum et arcanum

DRAGO PUGNABAT

AGELI EIUS
MAGNUM IN CAELO
FACTUM EST PRAELIUM
NON VALUERUNT
FACTA EST SALUS
VERITAS CHRISTI
DEL NOSTRI REGNUM
SANCTUS
EGO SUM ALPHA ET OMEGA
IN NOMINE DEI

CHAPTER III - IGNIS DIVINUS

"The Earth quaked and the last sin of man
was then swallowed by The Great Mother.
The ocean's waves devoured the rest of the fallen metropolis
while the four horsemen appeared in the glaze of the burning sky.
Then Saint Michael appeared in his full quantum astrak splendor.
He distorted space and time to cross the seven universes.
I kneeled in the front of him... the archangel took my hand...
The code of all codes, the secret of secrets,
the tale of creation was the revealed...
One second of terrestrial life for a billion of light years...
The ecstasy of heart and soul and the cosmic impact
on a fragile mind while the ultimate truth was finally revealed..."

An instant later...

"The divine cosmic matrix, forging heaven and hells and fuelling
the energy of the arcane multiversum, was calling me...
...I closed my eyes and followed by the archangel,
leaving my beloved and tormented planet,
my beloved brothers and sisters, my glory, my sin...
now shining as a new forged star in the celestial firmament,
a burning star of wild pureness and crystalline truth..."

IGNIS DIVINUS
