

Luciano, It's Me Again Jah

glory hallelujah.... hollow be thy name..... oh most high God
glory be to the most high God, hollow be thy name
King of kings, and Lord of lords, worthy to be praised
I ascribe to you dominion, power and grace,
through the years and years to come, youll always be the same
it's me again Jah, as I fall on my knees today, help me God I pray, don't wanna be carried away
it's me again Jah, as I fall on my knees today, help me God I pray, preserve my soul today

I look around the world today oh God and you will see, Pharisees and backbiters taken up in vanity
but I know you control my destiny, and from you all blessings flow, from yesterday even today, and
it's me again Jah, as I fall on my knees today, help me God I pray, don't wanna be carried away
it's me again Jah, as I fall on my knees today, help me God I pray, preserve my soul today

my heart is willing my flesh is weak, but still O God I seek, to walk your way, your holy way, I pray I
though my enemies encamp at me, I know ill be still, forevermore under your banner, and for always
its me again Jah, as I fall on my knees today, help me God I pray, don't wanna be carried away
it's me again Jah, as I fall on my knees today, help me God I pray, preserve my soul today

I glory hallelujah, bless my soul o Jah, o most high God
say glory be to the most high God, glory be his name
King of kings, and Lord of lords, worthy to be praised
I ascribe to you dominion, power and grace,
through the years and years to come, and for all the rest
it's me again Jah, as I fall on my knees today, help me God I pray, don't wanna be carried away
it's me again Jah, as I fall on my knees today, help me God I pray, preserve my soul today
