## Lucifer, 13 Victims

13 slut's deep inside the ground scattered remain's never to be found victimes of my black axe raped and murderd raptured inside skull eyes weep tears of blood naked sacrificed dead stole their soul's blackest of night power stolen from their live's

their life force surges thru my veins black magic sacrificed remains i wrote these words with their blood my missions completed the holy church burns defeated the blood on my hands granted me the powers of with i speak of 13 f\*\*kin slut's now deceased

mortal remain's burried in lucifer's park don't go there after dark raped slaughterd decomopsed the blood on my hand's
