Lucifer, Cries From The Cemetary

crying out from the grave,her murdered soul enslaved voices from the grave,forever haunting me beging reanimation powers of darkness encircle her grave as she rose from the coffin

the sound of her voice from the grave calls to me releasing the undead (wipe out christ disease)

black magic working evil spells cast

rise forward from the grave, you will rise evil in her eye's blasphemy church of christ never to die satan survives

rising again power in satan's name christian killing whore from the grave christian death is what she craves taste the sin's of human kind the blood it flows so divine your soul is mine
