

# Lucky 7, If You Fall

I remember when we first parted  
You left me broken hearted  
but then I always took the blame  
and You told me that I didn't understand  
That life meant more  
Than what I had planned  
Did your money get in the way  
I know you'll never come  
But if you ever fall  
fall my way  
If it's wrong why do you call me still  
cuz You don't want my heart to ever heal  
You just keep me hanging on  
And your love killed all my precious dreams  
Because your love never was what it seemed

Why do you keep me hanging on  
I know you'll never come  
But if you ever fall  
You can fall my way
