

# Lucky Dube, Soldier

Soldier

Stand for the truth you stand alone  
government will cover up  
i saw a man sitting in a room  
holding a gun to his head  
he said man oh man  
what am I gonna do  
I can't change the past but I can change the future  
If I pull this trigger right now, right here  
everything will be over  
not a day goes by I don't see them in my dreams  
not a day goes by I don't hear them screaming in my ears  
begging for mercy, pleading innocent  
since my heart is made up to be as cold  
as the barrel of this gun I hold  
I would pull the trigger anyway

chorus

I was a soldier, following instructions from a man  
we have known as the general  
so many medals, so many praises  
nothing can take away the guilt  
that I feel inside me  
Government covered up every crime we committed  
against human kind  
not a day goes by, I don't see them in my dreams  
not a day goes by, I don't hear them crying in my ears
