

# Lucy Street, White Horses

On white horses let me ride away  
To my world of dreams so far away  
Let me run  
To the sun

To a world my heart can understand  
It's a warm and gentle wonder land  
Far away  
Stars away

Where the clouds are made of candyfloss  
As the day's born  
When the stars are gone  
We'll race to meet the dawn

So when I can only see the grey  
Of a sad and very lonely day  
That's when I  
Softly sigh  
On white horses  
Snowy white horses  
Let me ride away
