

# Luis Fonsi, Imagine Me Without You

As long as stars shine down from heaven  
And the rivers run into the sea  
Till the end of time forever  
You're the only love I'll ever need  
In my life you're all that matters  
In my eyes the only truth I see  
When my hopes and dreams have shattered  
You're the one that's there for me  
When I found you I was blessed  
And I will never leave you, I need you  
Imagine me without you  
I'd be lost and so confused  
I wouldn't last a day, I'd be afraid  
Without you there to see me through

Imagine me without you  
Lord you know is just impossible  
Because of you, It's all brand new  
My life is now worthwhile  
I can't imagine me without you  
When I met you I was falling  
You love lifted me back on my feet  
It was like you heard my calling  
And you rushed to set me free  
When I found you I was blessed  
And I will never leave you  
Imagine me without you  
I'd be lost and so confused  
I wouldn't last a day, I'd be afraid  
Without you there to see me through  
Imagine me without you  
Lord you know is just impossible  
Because of you, It's all brand new  
My life is now worthwhile  
I can't imagine me without you  
When I found you I was blessed  
And I will never leave you, I need you  
Imagine me without you  
I'd be lost and so confused  
I wouldn't last a day  
Without you to see me through  
Imagine me without you  
Lord you know is just impossible  
Because of you, It's all brand new  
My life is now worthwhile  
I can't imagine me  
Imagine me  
I can't imagine me without you
