

Luis Miguel, Come Fly With Me (Dueto Con Frank Sinatra)

Come fly with me let's fly, let's fly away
If you can use some exotic booze there's a bar in far Bombay
Come fly with me let's fly, let's fly away

Come fly with me let's float down to Peru
In llamaland there's a one man band and he'll toot his flute for you
Come fly with me let's take off in the blue

Once I get you up there where the air is rarified
We'll just glide starry eyed
Once I get you up there I'll be holding you so near
You may hear the angels cheer because we're together.

Weather-wise it's such a lovely day
Just say the words and we'll beat those birds down to Acapulco bay
It's perfect for a flying honeymoon they say
So come fly with me let's fly, let's fly away

Once I get you up there where the air is rarified
We'll just glide starry eyed
Once I get you up there I'll be holding you so near
You may hear all the angels cheer because we're together

Weather-wise it's such a lovely day
You just say those words and we'll beat those birds down to Acapulco bay
It's so perfect for a flying honeymoon they say
Come fly with me let's fly, let's fly
Pack up! let's fly away
