I like your face
I like your eyes
I love your skin
I love your thighs
I love your teeth
I love your ears
I like your feet
I think their neat

There's one problem I can see
as I stare at your underwear
I see something lodged up there
Pokin' through your underwear!

Butt plug! I see your
Butt plug! I taste your
Butt plug! I like your
Butt plug!

(repeat)

Butt plug! I see your
Butt plug! I lick your
Butt plug! I taste your
Butt plug! I like it
Butt plug! I need it
Butt plug! I want it
Butt plug! I love you!
