Lunachicks, Jan Brady

I am Jan Brady, and you must believe that or forever perish in your doubt I am the soul embodiment of Jan, and I exist to serve the Brady alter for I have become one with another soul, and I have no need for others!

* Chorus*

Jan Brady has returned took over my soul and body then the hairstyle flew up all by itself never to be changed I am Jan, Jan I am I like to eat green eggs and ham

so now you must believe and worship me or else a lost soul you will be I pick up my lunch from Alice our house keeper I go to school with my Brady brothers we live in the same house but we come from different mothers!

Chorus

I know I cracked the family picture with my bike I was'nt wearing my glasses but I fixed everything with a bat of my eye lashes with my wig, I'll be a smash polyester plaid bell bottoms, I ain't no TRASH!!!!

Chorus
