

Lupe Fiasco, Fighters

(Matthew Santos)

When the fighters are all around
All the lovers are underground
No one will save you anymore
So what's happening, what you rapping about?
It's a boy, is it cars? Is it girls? Is it money? The world?

(Lupe Fiasco)

Or is it something they can never believe?
Or is it something you could never achieve?
Is it beyond your means?
Is it inside your dreams?
Can it never come out 'cause it's scared to, unprepared to
Too worried 'bout the words of the people it's weird to
You don't want them to hear
You just wish there was a door that would appear
That you could disappear through
Well I'm feelin' your pain
I was feelin' the same
But I said I'd never feel that again

Man I really miss my pops
Hope that god watches over him and that he's on top
That there is no more disease and that he's alright
That he's one of the generals inside the army of the light
And grandma you know I had to bite somethin' from ya
So after every show it's "peace and much love to ya"
Aunty Tweetie's on the way, please look out for that girl
I know we'll meet again, so it's never me against the world

I hope that god forgives us, all of us sinners
Turn us back into the beginners
Put us up where the winners go
Holy apartments in the gardens in which the rivers flow
Thank you for all your blessings and all of your miracles
I thank all my fans and all my supporters
Shout out to Bishop G
Congrats on your new baby daughter
I tip my hat to all my family and friends
Now we just got one more to go
L-U-P-End
