Lush, Light From A Dead Star

He lives his life in a world full of women And he takes what he wants from their love And he throws the rest away I cling to him and pray But still he slips away And now it's just too late To wish him back again

She won't put up with this life so she leaves him And she finds someone else, falls in love And she travels far away I say that it's ok And swallow all my pain And now it's just too late To wish her back again

They left me here on my own in a nightmare And I just can't forgive any more So I smile and turn away Don't listen when they say They wish that I could stay And now it's just too late To wish me back again
