

# LVMA BLACK (Magdalena Mielcarz), Summertime

come on play it  
you wanna know my name  
my name  
you wanna got it  
wear like a new chain  
new chain

you think you the man  
you gotta must have plan  
so .. game  
.. full of sex  
looking for modern ..  
you can't just buy me with champagne

come on closer  
and talk a little naughty  
coz tonight I am looking for nobody  
cool me down  
I have a Summertime Hobby  
take a, take a time boy  
take a, take a time boy  
have my word, I never ever had nobody  
slow it down yeah  
just have the party  
cool me down  
I have a Summertime Hobby  
take a, take a time boy  
take a, take a time boy

take a, take a time boy  
take a, take a time boy

intoxicated  
mixture pleasure with pain  
with pain  
I keep you waiting  
I keep you waiting  
in vein

you think you the man  
you gotta must have plan  
so .. game  
.. full of sex  
looking for modern ..  
you can't just buy me with champagne

come on closer  
and talk a little naughty  
coz tonight I am looking for nobody  
cool me down  
I have a Summertime Hobby
