

# Lykke Li, Complaint Department

Me oh my you thought you had something strong  
Me oh my it turned out that you were wrong  
Me oh my you your luck seems to be no more  
Fighting to get up, falling to the floor  
Me oh my you say (I can't know) what you're going through  
Funny you forgot (that I've had) the exact same thing from you

If you wanna complain  
If you wanna complain  
I'm not the complaint department  
If you wanna complain (x3)

Me oh my you thought you had something strong  
Me oh my it turned out that you were wrong  
(If you wanna complain)  
Me oh my you your luck seems to be no more  
(If you wanna complain)  
Fighting to get up, falling to the floor

If you wanna complain  
I'm not the complaint department (x 9)

(My oh my, oh no no  
My oh my, oh no no)
