

# Lykke Li, Tonight

Watch my back so I make sure  
You're right behind me as before  
Yesterday, the night before tomorrow  
Dry my eye so you won't know,  
dry my eye so I won't show  
I know you're right behind me

Don't you let me go,  
let me go tonight

We walk the surface of this town,  
with high heels above the ground,  
and high horses that we know  
Keep us safe into the night  
We know them all I know it all,  
stay put and play along  
'Cause I'm looking for my friend,  
now I got you,  
got you

Don't you let me go,  
let me go tonight

Dry my eye, dry my eye  
I'm falling deeper by the hour  
Dry my eye  
Dry my eye, dry my eye,  
don't let me fall deeper now  
Dry my eye

Don't you let me go,  
let me go tonight
