

Lykke Li, YOU DON'T GO AWAY

Doesn't go away
Every night I wait
Doesn't go away
You don't go away

And I know I hold on
To someone not here
But you won't go away

Do you not feel?
I feel I can't take it anymore
Do you not feel?
I feel so alone
Do you not feel?
I feel I can't take it anymore

How many nights, how many tears, how many lives
On the floor?

Doesn't go away
Every night I pray
Doesn't go away
You don't go away
So don't go with no one
Don't dance with someone
Stay baby, stay

Do you not feel?
I feel I can't take it anymore
Do you not feel?
I feel so alone
Do you not feel?
I feel I can't take it anymore

How many nights, how many tears, how many lives
On the floor?
How many nights, how many tears, how many lives
On the floor?
How many nights, how many tears, how many lives
On the floor?
How many nights, how many tears, how many lives
On the floor?
