Lykke Li, YOU DON'T GO AWAY

Doesn't go away Every night I wait Doesn't go away You don't go away

And I know I hold on To someone not here But you won't go away

Do you not feel?
I feel I can't take it anymore
Do you not feel?
I feel so alone
Do you not feel?
I feel I can't take it anymore

How many nights, how many tears, how many lives On the floor?

Doesn't go away Every night I pray Doesn't go away You don't go away So don't go with no one Don't dance with someone Stay baby, stay

Do you not feel?
I feel I can't take it anymore
Do you not feel?
I feel so alone
Do you not feel?
I feel I can't take it anymore

How many nights, how many tears, how many lives On the floor? How many nights, how many tears, how many lives On the floor? How many nights, how many tears, how many lives On the floor? How many nights, how many tears, how many lives On the floor?
