Slap my baby on the

Well I'm going to the grocery on the corner
For to buy me a coke and some gum
Well I'm going to the grocery on the corner
I'm a drinking, chewing son-of-a-gun

Slap my baby on the
Make it happy
Slap my baby on the
Make it fun
Slap my baby on the
Make it happy
I'm a happy son-of-a-gun

Well I whistle when I'm walking in the summer
Well I whistle in the spring and the fall
Well I whistle when I'm walking in the winter
Or else I don't go walking at all

Slap my baby on the

Slap my baby on the
Make it happy
I'm a happy son-of-a-gun

You know I wake up early in the morning
You know I work until my day is done
You know when I come home late in the evening
I'm a happy son-of-a-gun
