

M.I.A., P.O.W.A

Don't you want to tell me if you're gonna
Put down your amour
Promise no more drama

Throw up my hands
I say: I'm not Dalai Lama
Throw up my hands,
Say: I'm not Obama

I'm not Obama
Monsanto farmer
I don't drink no soda
I believe in karma
They try to shut me down
I've still got the power
They try to hate me
Bot I still be the lover

I know my mind
In me I;m gonna find
This is my time
And I;m searching for the signs
Throw up my hands
Say, This si people power!
Throw up my fingers
And I;m talking on the tower

Don't you want to tell me if you're gonna
Put down your amour
Promise no more drama

You know me I don't watch TV
People watyching me are only gona see
Ima do it now
Ima do it
I Ima do it now
Ima do it
Ima do it now
Ima do it
Ima a show you how

Put your hands up
Put your middle fingers in the air
MIA make it spray
Its raining up in here
Think you're getting baptized
With the sweat on your tee

Where /3x
You say: where my water there

You say wa wa
I day pa pa
/2x

Supa-kala fascism
Racist esp-alatazors
Posers with the cases
YThey better not erase us
Betta come face us

I;m not Rihanna
I'm not Madonna
I'm not Mariah

Or Ariana
I've been around this world causing drama
The real spice girl
Hot girl Power!
