

M. Ward, Never Had Nobody Like You

Well since time I had a mind I been lazy
And times before that I was cruel
And times before that I was lean I was mad
Honey I aint never had nobody like you
And the times before that well, I was crazy
I saw the dark side of the moon
And the stars in the sky they never caught my eye
Cause I aint never had nobody like you
I aint never had nobody like you
Now its just like ABC
Lifes just like 123
Yeah yeeaaaah
Yeah yeeaaaah
Oh oh
I watched my own habits die and its painful
sometimes its painful in the light of the truth
But you can be faster than light
Id like to thank you tonight
Honey I aint never had nobody like you
I aint never had nobody like you
And its just like ABC
Lifes just like 123
Yeah yeeeah
Yeah yeeeah
Oh oh
I trusted liars and thieves in my madness
Honey I was wasting away in the room
But now that I been through that hell I got a story to tell
Honey I aint never had nobody like you
I aint never had nobody like you
I aint never had nobody like you
