

# M83, Go! (feat Mai Lan)

You met me in this station  
Can't you still be patient  
This time I just show in  
Between us six millions season  
Gotta run  
Gotta run  
And make it die  
6,5,4,3,2,1

I run away  
Gotta to say  
I'm done!  
I run away  
Gotta say  
I'm coming, coming for you

Feels like will be frozen  
Need to tell me shoot them  
Coz we look to the sky for cover  
Get me just a little closer  
Gotta run  
Gotta run  
And make it die
