

Maanam, Oh!

I feel a touch I see an eye
Whisper shisper - - my oh my!
I hear a sound I won't turn round
Stop pushing-pulling me around

Oh! Oh! whatcha taking up my time for?
Oh! Oh! whatcha kicking up a fuss for?

I see your hand I feel your touch
You say you love me very much
Your song keeps ringing in my ears
Your breaking heart your falling tears

Oh! Oh! what's all the commotion?
Oh! Oh! I've had enough of this emotion!

Oh! Oh! whatcha taking up my time for?
Oh! Oh! whatcha kicking up a fuss for?
